

SMOG POLICY STATEMENT

DATE: 11 May 2009

SUBJECT: Late Joining Players Policy

The purpose of the policy is to: ensure equality of fees through every member of the club.

The policy aims to ensure SMOG Netball Club continues to provide a transparent fee system for all players.

If players join after the fourth week of competition they are to pay a pro-rated version of the full fee.

This formula is:

Full fee divided by number of weeks in the season, multiplied by number of weeks left to go when the player joins.

This fee is to be collected by the team manager and given to the Treasurer.
